Beautiful character gite in an unspoilt undiscovered corner of France.

Zusammenfassung

Situated off the beaten track in a small hamlet yet only 5kms from the village of Rignac, La Fage is surrounded by beautiful open countryside thus being the perfect place to unwind, relax and explore.

Beschreibung

We have converted this 170 year old barn specifically to retain its character and original features with exposed beams, cool tiled floors and a wood burner.
The gite is independent and has an open plan lounge/dining area leading into the well equipped open plan kitchen. From the lounge you have 2 double doors leading out onto your private terrace where you can barbecue until your hearts content.
You have two private gardens in which to sit out in and you can either relax in the sun loungers provided or sit in the shade and eat your lunch on the picnic bench under the willow tree.
Upstairs there are two large bedrooms, one double and one twin.

Only a 5 minute drive from the market village of Rignac, the village also has a weekly market, two supermarkets, an excellent butcher, boulangerie, cafe & bar and not forgetting a lovely open air swimming pool, lake and tennis courts.
The gite is ideally situated in the Aveyron countryside but only a short drive from some stunningly beautiful villages such as Belcastel, Peyrusse le Roc, Villefranche de Rouergue, Cirq Lapopie, Sauveterre de Rouergue, Bozouls, Conques, Najac, the caves at Foissac, Roquefort, the Millau viaduc and the plateau of Aubrac world famous for its

Laguiole knives....the list is exhausting...this is truly a French retreat.
