

Le Figuier

Summary

A very special place for a magical family holiday

Description

Le Figuier is a 2 bedroomed cottage/gite at our wonderful Logis farmhouse which dates from 17th century. The exceptionally baby and child friendly accommodation is set in 2 acres of gardens, meadow and orchard close to Cognac SW France. We also have 2 other holiday cottages here. The 3 houses are very well spaced on different sides of an enormous courtyard so that you can be very private if you want to but at the same time it is easy to make friends with other families staying here at the same time.

Le Figuier is situated at the end of the immense courtyard and has windows looking over the courtyard and pool and also French doors opening onto a superb private barbecue/outside dining area in the meadow.

This gite is an especially good choice if you want to sit and relax with a good book while being able to see your children enjoying the climbing frames, football area etc or perhaps sit under the fairy lights enjoying a glass of wine in the warm summer evenings.

There is a large combined kitchen/dining/living room with everything you need for a comfortable holiday including full sized cooker, fridge freezer, microwave, coffee maker, dish washer and washing machine. Plenty of seating for eating at the table or relaxing in comfortable chairs.

Upstairs there are 2 bedrooms, one with a 160cm bed and the other with full sized bunkbeds. The children's room overlooks the pool and the other bedroom looks over the meadow.

There is plenty of space to add a cot to either room.

The shower and WC is upstairs. The house has stair gates top and bottom to keep young children safe and also a smoke alarm and CO2 alarm.

We've added a selection of books and games and we always try to include toys to suit the ages of your children.
