

Quaint 18th Century spacious stone cottage with stunning views

Summary

Situated in the Dordogne. Corinne and Larni welcome you to enjoy your holiday in our beautifully restored stone cottage in a lovely country setting, with stunning views of the rolling countryside.

Description

Lavender Gite has been tastefully restored to a high standard whilst maintaining the rural feel of the 18th century building. On entering the ground floor you will find a large open plan living area. The kitchen has modern conveniences and a comfortable dining area which can seat 6 people. The large lounge area has free view English TV and a DVD player as well as a relaxing sitting area in front of the original fireplace.

Upstairs are 2 bedrooms. The pretty double room and a light and spacious twin/triple room with exposed beams. The shower room is light and modern.

Outside the gite is a private BBQ and covered seating area which looks over the large enclosed garden and swimming pool. We also have a games room with table tennis, darts board and a choice of English books which are accessible to both of our gites. You can choose to stay and relax in the peaceful garden or explore the surrounding chateaux, try new activities, such as canoeing on the rivers or the Ariel assault course at nearby Rouffiac Activity Lake.
