About This Property

This stone built cottage was built in 1819, in a rural setting situation in a small hamlet close to Saint Pierre De Juillers, there are two good sized double bedrooms, a shower room on the first floor. Downstairs is a large living room, farmhouse table and chairs, 2 comfy settees with free wi-fi, CD player, CDs, books and games. Outside is a gravelled area with seating, shade and a bbq, a bit further up is the garden with plenty of space to play badminton or football.
