About This Property

This attractive Vendee logis have been created in the former farm outbuildings of the chateau estate of Le Thibeuf. This charming historic site has been in the same family since the 17th century and prior to the industrial revolution this courtyard of buildings housed the farm manager, staff, the estate's bakery, the workshops and the stables. The logis been carefully renovated, with great attention to preserving the historic character and features rather than indulging in complete modernity and it provides simple spacious accommodation in a peaceful rural setting. It is particularly suited to families seeking quiet relaxation.

The chateau estate features many century-old trees offering an authentic rural backdrop. From the courtyard, the swimming pool is situated in an adjacent meadow, surrounded by stone walls and hedges which also provides ample space for outdoor games.
