About This Property

Lets are managed by Halcyon Leisure, a specialist holiday rental agent for this area of France since 1986.

The traditional construction, which has largely been preserved, protects from the hottest of days in the summer. Several original features remain, including beautiful chestnut ceiling beams.

The well equipped kitchen has a gas hob and electric oven, a large American style fridge freezer, a microwave, a dishwasher, coffee machine, toaster, and mixer as well as ample high quality crockery.

The original cattle barriers separate the kitchen from the dining area which has a stylish dining table for 6 guests.
