About This Property

Maison Bear is a striking Maison de Maitre located in a village in Normandy, ideal for fun family times with spacious indoor space and an enclosed garden. The house can accommodate 14 people. It is also possible to rent it for 8 guests and it is then known as Chez Bear. A cot is available and babies are welcome. Please be aware that there is no stair gate due to the width of the staircase.

As you walk through the gates at Maison Bear you are greeted by the striking symmetry of this superb Maison de Maitre and its mature garden. You will climb three steps to go through the front door and into its grand entrance hall. From here you can enter the salon or salle à manger. In the large salon, there is a comfortable seating area and pool table. A large smart TV hangs over the fireplace with an Orange Live Box showing French and some international channels. Please note, that the fireplace is for decorative purposes only and cannot be used.
