About This Property

Très Jolie Gîte is a large farmhouse in Charente-Maritime sleeping up to 12 guests in six bedrooms. The property has a heated swimming pool for your exclusive use, gated gardens and a games room. One bedroom is on the ground floor with an accessible wet room, making the property suitable for guests with limited mobility. The farmhouse sits near Surgères and Saint-Jean-d'Angély, within easy reach of beaches and the Île de Ré for day trips. This renovated 18th-century Charentaise farmhouse has been awarded four stars by Atout France. It is designed for family groups and holidays bringing several generations together, with space to spend time together or relax separately. The ground-floor double bedroom has wheelchair access and a connecting accessible wet room with a shower and WC. The wet room also has a door from the games room, so it is not exclusively en suite. Upstairs are five further bedrooms, including two with en-suite bathrooms, a family bathroom and a separate WC.
