About This Property

Villa Platane is a spacious four-star gîte in Agnac, just 3km from the lively bastide town of Eymet. Converted from a traditional farmhouse, it provides generous accommodation for six guests across two floors, with the owners living discreetly in the adjoining barn conversion. Upstairs are three bedrooms and three bath or shower rooms. The main double bedroom has an ensuite shower room, while the other two bedrooms have twin beds arranged together as king-size beds. Downstairs, the large salon has comfortable seating, a separate dining area, a fireplace, smart tv with English and French television, WiFi, books, DVDs and board games. The traditional kitchen is equipped with an induction hob, oven, fridge freezer and dishwasher, a washing machine and tumble dryer. Central heating and full insulation make the property suitable for stays throughout the year. Outside, the gîte sits within around 10,000 square metres of parkland and wooded grounds.
