About This Property

This beautiful Charentais-style manor house offers an exclusive and completely private setting for guests, enclosed within its private courtyard of centuries-old buildings, and accessed through a striking stone-arched gate. In the quiet countryside of the Charente, the property offers a relaxed stay in the rural South West, while being within easy reach of the historic city of Angoulême, charming villages, amenities, and tourist attractions. Both Bergerac and Limoges airports are just over 100 km away, with several SNCF train stations within easy reach. Guests can enjoy the unique setting on a truffle plantation, where the owner is happy to show you the 100 truffle trees on the estate! EV charging is also available and payable on site within the gates of the property. Ascending the main outdoor central staircase, you pass the first-floor terrace overlooking the courtyard before entering an elegant entrance hall with a magnificent curved staircase and chandelier.
