About This Property

Gîte Val de Vie brings family and friends together beside Lac d'Apremont, in the Vendée village of Maché. Élodie and Nicolas renovated this former barn in 2022, creating 260 m² of accommodation with generous shared spaces and a private, tree-filled garden of around 4,200 m².

Space to spend time together

The large living and dining area gives the group room to gather, while the fitted kitchen offers plenty of storage for a self-catering stay.
