About This Property

On the edge of the medieval village of Roquecor, this unique wooden house welcomes you with a large garden filled with rows of lavender, and a private heatable pool. Lets are flexible, arriving and departing on any day of the week all-year round. The house is fully air-conditioned and adapted for wheelchair access, with no steps indoors, wide doorways, grab rails and walk-in showers. Additionally the swimming pool has a set of shallow steps and an extra long handrail. Village amenities are just a short walk away, including a large vibrant central bar, a restaurant, small shops, and a traditional grocery store that sells fresh baguettes. The village has a weekly outdoor market that stretches down its main street. There is even a free tennis court in the village, as well as an EV charging station. 10 minutes away by car, there is a large lake with sandy beach and water sports outside of Montaigu-de-Quercy, another medieval market village.
