About This Property

Dating from 1820, Fleuret Cottage sits at the bottom of the peaceful hamlet of Fleuret. Its original bread oven, stone sink alcove, œil-de-bœuf window, terracotta floors, beams and exposed stone retain the character of this traditional home. Accommodation for fourThe ground floor has a large open-plan living and dining room with television, dvd player, wi-fi and a wood-burning stove. The kitchen, set in the original bread oven, leads to a covered outdoor terrace. Upstairs are one double bedroom, one twin bedroom and a family bathroom. Both bedrooms have air conditioning; baby equipment is available. Garden and shared poolThe cottage has a private garden, terrace and charcoal barbecue. Guests share the 14 × 7 metre swimming pool and games room with Fleuret House. The property is set in over one hectare of grounds with a lovingly maintained garden, several terraced areas to enjoy the spectacular view and a play area for younger children with swings.
