About This Property

Jardin BleuHigh ceilings, exposed beams and handmade floor tiles give this first-floor gîte its character. The open-plan living area has a comfortable corner sofa and armchair, a well-equipped kitchen and a dining table. French windows with a Juliet balcony overlook the courtyard and valley. There is a double bedroom with valley views, a twin bedroom and a spacious bathroom with a walk-in shower and stone basin. The gîte sleeps four. Fans and a hairdryer are provided. A steep shared staircase leads to the landing shared with Jardin Violet. The separate front doors make the two gîtes a useful choice for families holidaying together. A stair gate can be arranged. Maison de la RocheSet in a restored former wine domaine in the village of Ferrals-les-Corbières, Maison de la Roche has three individual holiday homes. The gîtes share a secluded swimming pool just over nine metres long, with steps at one end and heating available at either end of the season.
