Château de Bussolles

Allier · Auvergne · France

15 SLEEPS	9 BEDROOMS	6 BATHROOMS	Shared Pool	No pets	Chateau / Country House

About This Property

Château de Bussolles is a real French château with a long history, standing in 12 hectares of its own land in the Allier, in the heart of France and about 25 km from Vichy. It is let as a whole to one group of 10 to 15 guests, so the salons and the long dining table are shared only with the people you came with. Step outside into the quiet of the grounds, cool off in the pool, play a frame of snooker, or sit on the terrace and watch the cows graze in the rolling meadow while the château stands behind you against the sky. Since 2013 the house has been carefully restored and brought up to date, and it has kept the character of another age. Finding your way aroundGetting to know the château is a small adventure in itself. There are corridors and staircases to wander, paintings from earlier times on the walls, and a different view each time you turn a corner.
