About This Property

Book the entire domain and bring the whole family: two characterful gîtes set in a magnificent 18th-century Quercy stone estate, surrounded by a private 8,468 m² park of mature trees, in the heart of the Lot valley between Puy-l'Évêque and Cahors. The estate combines La Maison and Le Gîte — up to 24 guests across the two houses, each with its own bedrooms, living space and full kitchen, so every family keeps its privacy while sharing meals and celebrations together. A 60 m² function room hosts long festive tables, birthday dinners or reunion banquets whatever the weather. There are 11 bedrooms across La Maison and Le Gîte, and nine bathrooms in all: seven shower rooms and two bathrooms with a shower and a bathtub, plus ten separate WCs. La Maison, a house of character dating from 1765, sleeps six to ten.
