About This Property

Sympathetically renovated, Le Pommier offers quality accommodation whilst retaining its natural French rustic charm. Large garden with plenty of room for children to play. Lots to do on site with large heated pool to relax by in the summer months, gym and sauna or just a perfect place to explore local attractions and activities, including water sports and beach at the nearby lake.

Its one King-size, one double and one twin bedroom sleeps 6 people comfortably, and all bedrooms have exposed beams and partially exposed stone walls. The Master, King size, bedroom has an en suite shower room, featuring a large walk in shower. Off the ground floor entrance hall there are solid wood doors leading to each of the three ground-floor bedrooms. All bedrooms are situated on the north side ground floor, thereby providing cooler sleeping conditions during warm summer nights. Also situated on the ground floor is the family bathroom offering a full size bath, w.c. and separate shower.
